

**Pediatric Clinical Hypnosis
Skill Development Workshops 2012**
presented by

NATIONAL PEDIATRIC HYPNOSIS TRAINING INSTITUTE

September 20–22, 2012

Crowne Plaza Hotel Minneapolis West
(formerly Radisson Hotel and Conference Center Minneapolis)
3131 Campus Drive
Plymouth, Minnesota

In Collaboration with
Minnesota Society of Clinical Hypnosis
University of Minnesota Department of Pediatrics

UNIVERSITY OF MINNESOTA

Medical School

COURSE DESCRIPTION

Clinical Hypnosis is a therapeutic intervention with empirical support for a variety of clinical conditions: including procedure-related and chronic pain, anxiety disorders, stress-related conditions, habit problems, sleep disturbance, and various medical conditions. This workshop provides training in the use of clinical hypnosis and its applications to children and teens with various conditions in pediatric settings. The workshop is offered at three levels (Introductory, Intermediate and Advanced) depending on the clinician's previous training in pediatric hypnosis. **Strong emphasis is placed on experiential learning, with supervised practice of hypnotic techniques suitable for children/teens and of integrating a developmental perspective.**

ELIGIBILITY AND TARGET AUDIENCE

These workshops would be ideal for persons holding a:

- Doctoral Degree in Medicine, Psychology, or Dentistry
- Masters Degree in Social Work, Marriage and Family Therapy, Clinical or Counseling Psychology
- Masters Degree in Nursing or a Registered Nurse with subspecialty training and certification
- Other Advanced degree health care providers, e.g. Occupational and Physical Therapists, Speech and Language Pathologists, et. al.
- Child Life Specialists holding a Bachelor's degree
- Students, Interns, Residents and Fellows actively enrolled in a graduate program leading to degrees or completion of training in any of the foregoing.

INTRODUCTORY WORKSHOP

This workshop teaches basic skill-building in hypnosis as a therapeutic intervention for children/teens experiencing a variety of clinical conditions. Particular focus is on management of pain, anxiety, and sleep. Instructional videotapes and case vignettes are an integral component of presentations. Experiential learning is strongly emphasized (this workshop provides almost double the amount offered in most introductory hypnosis workshops), including group exercises and supervised small group practice focused on the structure and elements of clinical hypnosis with children/teens. **This workshop is for those without prior *pediatric-specific* hypnosis training.**

REGISTRATION

Registration Deadlines & Fees

Introductory and Intermediate Workshops. Register by **August 23, 2012** to receive the Early Registration Discount!

	On or before August 23, 2012	After August 23, 2012
Registration Fee	\$695	\$795
MSCH Member	\$610	\$690
Graduate Student/Intern/Resident/Fellow/Trainee	\$550	\$575

To Register for the Introductory Workshop

ONLINE: Register online with Visa, MasterCard, or American Express at www.cme.umn.edu/intropedshypnosisinfo. In order to protect your credit card information, the Office of Continuing Medical Education (OCME) does not accept credit card payments by phone, fax, mail, in person, or on-site.

BY MAIL: Mail your check (payable to Regents of the University of Minnesota) with registration form to: Pediatric Clinical Hypnosis, Office of Continuing Medical Education, University of Minnesota, University Park Plaza, Suite 601, 2829 University Avenue SE, Minneapolis, MN 55414.

INTERMEDIATE WORKSHOP

The focus in this workshop is on refining and expanding existing hypnosis skills in broader clinical applications, and furthering assessment and individualized treatment approaches for patients and their families. Clinical videotapes and case vignettes are integral components of presentations. **Participants must have prior pediatric-specific hypnosis training and experience in using clinical hypnosis with pediatric patients.** Completion of a **Prior Learning/Needs Assessment** questionnaire is required prior your registration being accepted for this workshop. This is **not** a beginning level course.

REGISTRATION

Registration Deadlines & Fees

Introductory and Intermediate Workshops. Register by **August 23, 2012** to receive the Early Registration Discount!

	On or before August 23, 2012	After August 23, 2012
Registration Fee	\$695	\$795
MSCH Member	\$610	\$690
Graduate Student/Intern/Resident/Fellow/Trainee	\$550	\$575

To Register for the Intermediate Workshop

Click on the words **Prior Learning/Needs Assessment** or **www.cme.umn.edu/interpedshypnosisinfo** to access and complete the assessment. Upon acceptance of your assessment, you will be contacted with registration instructions.

ADVANCED WORKSHOP

The Advanced Workshop will provide individualized mentor consultation to health and mental health care practitioners interested in enhancing their knowledge and expertise in the use of pediatric hypnosis. This 22-hour intensive meeting is designed to fulfill the requirements for attaining ASCH Certification in Clinical Hypnosis and/or to obtain the hours of consultation necessary to become an ASCH-Approved Consultant. **In addition to providing evidence of previous training and regular use of pediatric hypnosis in their clinical practice, advanced participants must bring and present a DVD or VHS videotape of hypnotic work with a pediatric patient and a corresponding typed case vignette of the video. The deadline for video submission is July 15, 2012.** We will provide a "how to" guide to help learners develop effective video recordings. Completion of a **Prior Learning/Needs Assessment** questionnaire is required before your registration will be accepted for this workshop.

Individuals attending this program must have completed an ASCH-Approved **Pediatric** Introductory (Basic) and **Pediatric** Intermediate Workshop (such as NPHTI 2010 or 2011 or those previously taught by this faculty via the Society of Developmental and Behavioral Pediatrics) and should be using hypnosis **regularly** in their professional practice. The format is unique and one in which participants meet and consult in a small group setting with fellow practitioners and a group of facilitators who are ASCH Approved Consultants. This model encourages and expects participants to learn from one another, to have their own expertise affirmed and expanded, and to network with other professionals in pediatric clinical hypnosis. During the consultation sessions the focus is upon issues unique to each practitioner's specialties and practice.

REGISTRATION

Registration Deadlines & Fees

	On or before July 15, 2012	Registrations will not be accepted after July 15, 2012
Advanced Workshop Registration Fee	\$850	

To Register for the Advanced Workshop

Click on the words **Prior Learning/Needs Assessment** or **www.cme.umn.edu/advpedshypnosisinfo** to access and complete the assessment. Upon acceptance of your assessment, you will be contacted with registration and video submission instructions, and a "how to" guide to developing effective video recordings. **Please note video submissions are due by July 15, 2012.**

Registration fees for **all three workshops** include course presentations on CD, breakfast and lunch buffets, and morning and afternoon refreshments. Special needs such as dietary restrictions should be indicated in advance; requests cannot always be honored on site.

Note: Participants are not considered registered until registrant information and payment have been received by our office.

Group Registration

A minimum of 3 registrants is required for a group discount of \$20 per person to be deducted from the corresponding registration fee listed above. Submit all registrations together with one check payment. NO refunds will be issued if a person from a group has to cancel or does not show up at the conference. Normal refund policy applies for complete group cancellations.

Course Materials

A CD with a PDF of the course presentations will be available to attendees and distributed at the Workshop. A printed syllabus will NOT be distributed at the Workshop. Registered attendees will be emailed access instructions to view the presentations online prior to the Workshop; and download or print for their use at the conference. Please note: NO services for printing syllabi are available on site during the conference.

Cancellation Policy

In the event you need to cancel your registration, the registration fee, less a \$50 administrative fee, will be refunded if you notify us by 4:30 p.m. Central Time on **September 6, 2012**. No refunds will be made after this date.

WORKSHOP LOCATION & OVERNIGHT ACCOMMODATIONS

Crowne Plaza Hotel Minneapolis West
3131 Campus Drive, Plymouth, MN 55441
Phone: 763-559-6600
Web site: <http://cpplymouth.com/>

A block of hotel rooms is available at the discounted rate of \$99.00 plus the current 7.275% tax. Please make your reservations directly with the hotel by the cut-off date of **August 29, 2012**, and refer to the course by name to receive the discounted rate. Reservations will be accepted on space and rate availability. Parking is complimentary and adjacent to the conference center.

ACCREDITATION

American Medical Association/PRA

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint sponsorship of the University of Minnesota, the National Pediatric Hypnosis Training Institute and the Minnesota Society of Clinical Hypnosis. The University of Minnesota is accredited by the ACCME to provide continuing medical education for physicians.

The University of Minnesota designates this live activity for a maximum of *23.5 AMA PRA Category 1 Credits™* for the **Introductory Workshop**, *23.0 AMA PRA Category 1 Credits™* for the **Intermediate Workshop** and *22.0 AMA PRA Category 1 Credits™* for the **Advanced Workshop**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians

Application for AAFP credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

American Society of Clinical Hypnosis

Application has been made to the American Society of Clinical Hypnosis Standards of Training Committee for approval of credit hours toward the Certification and Approved Consultant requirements.

Minnesota Board of Marriage and Family Therapy

An application for credit has been submitted to the Minnesota Board of Marriage and Family Therapy.

Minnesota Board of Social Work

This activity has been approved by the State of Minnesota Board of Social Work for 23.5 continuing education hours for the **Introductory Workshop**, 23 continuing education hours for the **Intermediate Workshop**, and 22 continuing education hours for the **Advanced Workshop**.

Dentists, Nurse Practitioners, Nurses, and Other Health Care Professionals

Dentists, nurse practitioners, nurses, and other health care professionals who participate in this CME activity may submit their Statements of Attendance to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

ADDITIONAL TYPES OF CREDIT HAVE BEEN APPLIED FOR AND WILL BE UPDATED ON THE WEB SITE WHEN APPROVED.

DISCLOSURE POLICY

It is the policy of the University of Minnesota office of Continuing Medical Education to ensure balance, independence, objectivity and scientific rigor in all of its sponsored educational activities. To review the complete Disclosure Policy visit www.cme.umn.edu/disclosure.

NATIONAL PEDIATRIC HYPNOSIS TRAINING INSTITUTE

INTRODUCTORY WORKSHOP

Educational Objectives

At the completion of the Introductory Workshop, participants will be better able to:

- List the stages of hypnosis
- Describe hypnosis as a process of therapeutic communication
- Describe and demonstrate four pediatric hypnosis induction methods
- Identify four developmental considerations influencing hypnotic techniques
- Describe a hypnotic method for intensification, suggestions, utilization and talking in trance
- Describe the processes of re-alerting and debriefing
- List four applications for pediatric hypnosis
- Describe and demonstrate, for each situation, a hypnotherapeutic approach for children experiencing procedural pain, chronic and recurrent pain, clinical anxiety and sleep disturbance
- Outline a strategy for getting started using hypnosis in clinical practice

PRELIMINARY AGENDA

Thursday, September 20

7:15 AM	Registration & Breakfast Buffet
8:00	Introduction & CME Overview (All Groups)
8:05	Introduction to Workshop: Overview (All Groups)
8:30	Introduction to Hypnosis: Definitions, Theories, Myths & Misconceptions, Uses, Susceptibility
9:15	Hypnosis: Structure & Stages
10:00	Refreshment Break
10:20	Hypnosis: The Many <i>Right Ways</i>
11:00	Developmental Considerations: Designing Hypnosis Sessions
11:55	Hypnotic Induction/Intensification Techniques: Overview
12:15 PM	Lunch Buffet
1:30	#1 Induction & Intensification: Dissociation (Special Place)
1:50	Small Group Practice #1: Rapport, Induction, Intensify, Alert, Debrief
3:20	Refreshment Break
3:40	#2 Induction & Intensification: Eye Roll
4:00	Small Group Practice #2: Rapport, Induction, Intensify, Alert, Debrief
5:30	Ethics & Professional Conduct (All Groups)
6:00	History of Hypnosis
6:15	Adjourn for the Day
Evening	Optional: Viewing (on own) of Videotapes

NATIONAL PEDIATRIC HYPNOSIS TRAINING INSTITUTE

INTERMEDIATE WORKSHOP

Educational Objectives

At the completion of this Intermediate Workshop, participants will be better able to:

- Refine therapeutic listening and language skills in “finding the hypnosis in the encounter”
- Improve competence in tailoring the hypnotic approach to match the child’s developmental level
- Expand skills in hypnotic techniques and treatment planning
- Enhance ability - apply hypnotic strategies in broader clinical situations, e.g. chronic illness, acute and chronic pain, palliative care, anxiety, habits, sleep problems, and elimination disorders
- Perform with competence and confidence in teaching children and families self-hypnosis skills

PRELIMINARY AGENDA

Thursday, September 20

7:15 AM	Registration & Breakfast Buffet
8:00	Introduction & CME Overview (All Groups)
8:05	Introduction to Workshop: Overview (All Groups)
8:35	Hypnosis Principles - Utilization/Treatment Planning

ADVANCED WORKSHOP

Individualized Consultation

Educational Objectives

At the completion of this Advanced Workshop, participants will be better able to:

- Evaluate one's own clinical skills and the use of therapeutic language (through video review, critique, and discussion) in context of peer review and individualized consultation with mentor(s)
- Problem-solve challenging clinical situations applying hypnotic strategies
- Review, evaluate, and offer guidance regarding (others') clinical hypnosis encounters in mentor-facilitated small group peer consultation context
- Delineate and evaluate one's selection of targeted, specific goal(s) for the videotaped hypnosis session within the larger context of treatment planning

HOST WORKSHOP FACULTY AND GROUP FACILITATORS

TIMOTHY P. CULBERT, MD, FAAP, ABMH, BCB

Assistant Professor and Clinical Faculty, Department of Pediatrics, University of Minnesota Medical School, Minneapolis, MN; Adjunct Faculty, Center for Spirituality and Healing, University of Minnesota, Minneapolis, MN; Medical Director, Pediatric Integrative Medicine, Ridgeview Medical Center, Minneapolis, MN

CANDACE J. ERICKSON, MD, FAAP, MPH*

Course Director SDBP Clinical Hypnosis Workshops (1987-2009); Associate Professor of Clinical Pediatrics, Columbia University College of Physicians and Surgeons, New York, NY; Developmental and Behavioral Pediatrician, Morgan Stanley Children's Hospital of New York Presbyterian Hospital, New York, NY and the Brooklyn Hospital Center, Brooklyn, NY

HOWARD HALL, PHD, PSYD, BCB

Associate Professor, Division of Developmental/Behavioral Pediatrics and Psychology, Department of Pediatrics, Case Western Reserve University, Cleveland, OH; Rainbow Babies and Children's Hospital Case Medical Center, Cleveland, OH; Board Certified in Biofeedback (BCB); Approved Consultant, ASCH

PAMELA KAISER, PHD, CPNP, CNS*

Co-Director, National Pediatric Hypnosis Training Institute; Former Associate Clinical Professor, Developmental-Behavioral Pediatrics (DBP), University of California, San Francisco, CA; Former Director, Anxiety, Stress, and Health Clinic, Children's Health Council, Palo Alto, CA; Clinical Child & Adolescent Psychologist; Approved Consultant, ASCH

DANIEL P. KOHEN, MD, FAAP, ABMH*

Co-Director, National Pediatric Hypnosis Training Institute; Director, Developmental-Behavioral Pediatrics and Professor, Departments of Pediatrics and Family Medicine and Community Health, University of Minnesota Medical School, Minneapolis, MN; Director of Education and Training, Minnesota Society of Clinical Hypnosis (MSCH); Past President, MSCH; Past President, American Board of Medical Hypnosis; Vice-President (2011-2012), ASCH; Fellow, and Approved Consultant, ASCH; Fellow, SCEH

LEORA KUTTNER, PHD*

Clinical Psychologist and Clinical Professor of Pediatrics, University of British Columbia and British Columbia Children's Hospital, Vancouver, Canada; Vice-President, Canadian Society of Clinical Hypnosis (BC Division)

KAREN OLNESS, MD, FAAP, ABMH*

Professor of Pediatrics, Family Medicine, and Global Health, Case Western Reserve University, Cleveland, OH; Diplomate and Past-President, American Board of Medical Hypnosis; Past President, ASCH; Past President, SCEH; Past President, International Society of Hypnosis (ISH); Fellow, ASCH & SCEH

JUDSON B. REANEY, MD, FAAP, BCB

Developmental and Behavioral Pediatrician and Clinical Practice Director, Park Nicollet Alexander Center, Eden Prairie, MN; Physician Lead for Professional Renewal, Park Nicollet Health System, Minneapolis, MN; Instructor of Pediatrics, University of Minnesota, Minneapolis, MN; Board Certified in Biofeedback (BCB); Approved Consultant, ASCH

LAURENCE I. SUGARMAN, MD, FAAP, ABMH*

Clinical Associate Professor in Pediatrics, University of Rochester School of Medicine and Dentistry, Rochester, NY; Developmental and Behavioral Pediatrics, Easter Seals Diagnostic and Treatment Center, Rochester, NY; President, American Board of Medical Hypnosis; Past Vice-President, Fellow, and Approved Consultant, ASCH

THE REV. JAMES W. WARNKE, MA, MSW, LCSW

Former President, Member of the Board of Directors, and Senior Faculty Member of the New York Milton H. Erickson Society for Psychotherapy and Hypnosis, New York, NY

SKILL DEVELOPMENT GROUP FACILITATORS

DAVID ALTER, PhD, LP, ABPP, ABPH

Co-Founder, Partners in Healing of Minneapolis; Founder, Institute for Brain-Behavior Integration; Private Practice, Minnetonka, MN; Past President, MSCH; Treasurer & Approved Consultant, ASCH

ANDREW J. BARNES, MD, MPH

Assistant Professor, Pediatrics and Adolescent Health, Developmental-Behavioral Pediatrics, University of Minnesota, Minneapolis, MN; Former physician member-at-large, MSCH

KEVIN M. HARRINGTON, PhD, LP

Private Practice, Bloomington, MN; Professional Staff Member, Children's Hospital and Clinics, Minneapolis, MN; Former Board Member, MSCH

REBECCA KAJANDER, CPNP, MPH

Noran Neurological Clinic, Minneapolis, MN

HARRIET KOHEN, MA, MSW, LICSW

President, MN Society for Clinical Social Work; Partners-in-Healing of Minneapolis

TERESA QUINN, MD, ABMH*

Assistant Professor, Family Medicine Residency, Park Nicollet Methodist Hospital, St. Louis Park, MN; Diplomate, American Board of Medical Hypnosis

DAVID WARK, PhD, ABPH

Emeritus Professor of Psychology, University of Minnesota, Minneapolis, MN; Fellow, ASCH, SCEH; Past President, MSCH; Past President, ASCH; Board Member, International Society of Hypnosis; Approved Consultant, ASCH

MARK B. WEISBERG, PhD, ABPP, LP

Clinical Health Psychologist, Diplomate in Health Psychology; Listed, National Register of Health Service Providers in Psychology; Independent Practice, Minneapolis, MN; Fellow, American Psychological Association; Past President, MSCH; Fellow, Past Vice President, Past Secretary, Approved Consultant, ASCH

ELAINE WYNNE, MA, LP

Licensed Psychologist in Private Practice, Minneapolis, MN; Former Faculty, Metropolitan State University, Minneapolis, MN; Past Board Member, MSCH; Approved Consultant, ASCH
