

**Pediatric Clinical Hypnosis
Skill Development Workshops 2022**
presented by

NATIONAL PEDIATRIC HYPNOSIS TRAINING INSTITUTE

a 501(c)(3) nonprofit educational corporation

**11th Annual
Pediatric Hypnosis Skills Training Workshops**
“Helping Children & Teens to Help Themselves”

**October 13-15, 2022
Minneapolis, MN**

**Connecting clinicians while stretching skills in integrative health
Extensive experiential learning.
Renowned Faculty!**

**In collaboration with
Minnesota Society of Clinical Hypnosis
University of Minnesota Department of Pediatrics**

Sponsored by Minnesota Medical Association

Highlights for 2022

- **Special Keynote Presentation to be announced!**
- **EXPERIENTIAL learning activities comprise OVER HALF of each workshop!**
- **Learning practical hypnosis skills is the primary focus of all three workshop levels.**
- **New choices for Final Day/Mini-Intensive Clinical Application Sessions (90 min. each).**
- **Scholarships are available!**

WHAT?

NPHTI, the premier Pediatric Hypnosis Training organization globally, announces its 11th gathering. Approximately half the workshop is devoted to practicing skills in a collegial small group with like-minded professionals and supportive faculty mentor-facilitators (typically a 6:1 ratio).

WHO?

Since 2010 NPHTI has trained over 1000 licensed pediatric clinical professionals, including mental healthcare providers, physicians, nurse practitioners, dentists, occupational and physical therapists, speech and language pathologists, and child life specialists. We especially welcome full-time trainees working toward an advanced clinical license in one of these fields. Pediatric clinicians—from the novice to the nimble—are invited to develop or refine skills in clinical pediatric hypnosis taught by seasoned multi-disciplinary faculty who include the top experts in the field.

WHY?

Come together to build your skills in clinical hypnosis that help children learn to help themselves. Learn how to set individualized goals and craft goal-driven hypnotic suggestions with your pediatric patients! Connect (or re-connect) with colleagues! Chat with the experts!

HOW?

Carve out time for a hard-earned respite in a lovely setting while absorbed in NPHTI's curricular focus on *experiential* learning. Rally your professional friends to attend one of our tri-level concurrent workshops.

WHEN?

Thursday-Saturday, October 13-15, 2022

WHERE?

Plymouth, MN (Minneapolis suburb), USA.

RSVP ASAP!

Register now: Space is limited <https://iplanit.swoogo.com/NPHTI2022>

NATIONAL PEDIATRIC HYPNOSIS TRAINING INSTITUTE

a 501(c)(3) nonprofit educational corporation

DESCRIPTION OF WORKSHOPS

These intensive workshops feature a combined lecture-demonstration-experiential training format with a developmental perspective in the use of clinical hypnosis & its empirically supported applications to children and teens with various medical & mental health conditions and challenges. Both research-based and pragmatic hypnotic interventions are taught.

- **Cutting edge presentations** (including VIDEOS of faculty cases) highlight therapeutic communication, goal setting and goal-driven suggestions and other hypnosis strategies.
- **Faculty:** Our multi-disciplinary, seasoned pediatric clinician-educators have expertise in pediatric hypnosis and are considered the most renowned leaders-teachers-researchers-authors in this field.
- **Three levels of workshops:** Fundamentals; Utilization & Expanded Clinical Applications; & Individualized Consultation.
- **Extensive experiential learning:** Activities during presentations, and abundant supervised practice of hypnotic techniques within supportive small groups with a high faculty-to-trainee ratio. (1:6)
- **Registration fees include:** Workshop Presentations, Online Syllabus, Small Group Exercises, CME/CEU Credit (at no extra charge), Comprehensive Bibliography, Complimentary Reception, Generous Morning & Afternoon Refreshments. Special needs such as dietary restrictions, lactation room, etc. should be indicated in advance. Requests cannot always be honored on site.

ELIGIBILITY AND TARGET AUDIENCE: Requires an active clinical license AND one of the following:

- Doctoral Degree in Medicine, Psychology, Nursing or Dentistry
- Masters Degree in Social Work, Marriage and Family Therapy, Clinical or Counseling Psychology
- Masters Degree in Nursing or Advanced Practice Registered Nurses (i.e. APRN, CPNP, CNS)
- Other Advanced degree clinicians (e.g. Occupational & Physical Therapists, Speech & Language Pathologists)
- Child Life Specialists holding a Doctoral, Masters, or Bachelors degree
- Full-time Interns/Residents/Fellows or Graduate Students enrolled in an accredited program leading to these clinical degrees will be accepted when they provide a letter from their department on letterhead, attesting to their current full-time status, specifying timing of training (month and year).

NPHTI SCHOLARSHIP INFORMATION

Purpose:

The National Pediatric Hypnosis Training Institute (NPHTI) will provide scholarships to help to defray the annual workshop registration costs for clinicians and trainees who have limited monetary resources.

Criteria for recipients:

NPHTI intends to focus its limited scholarships for the annual workshop on:

- Trainees (graduate students, interns, residents, and post-doctoral fellows) in clinical programs leading to licensure
- Licensed clinicians who live in resource limited countries
- U.S. licensed clinicians with limited financial resources
- Early career professionals (e.g. within 2 years after licensure) with limited financial resources
- Trainees or licensed clinicians with limited financial resources who demonstrate plans to conduct research in the area of pediatric clinical hypnosis within the next 2 years

Go to the website site to get the Scholarship Application and additional information at www.nphti.org

FUNDAMENTALS OF PEDIATRIC CLINICAL HYPNOSIS WORKSHOP:

This workshop is for clinicians who have NOT YET completed a *pediatric-specific* hypnosis training (20+ hours) **and** for clinicians wanting to refresh or solidify their confidence in fundamental pediatric hypnosis skills.

- Foundational skill-building in hypnosis as therapeutic communication and adjunctive intervention for children/teens with various health and behavioral problems.
- Clinical focus: hypnosis adjunctive management of pain, anxiety, fear, and sleep issues for children and teens at different developmental stages.
- State-of-the-art presentations include instructional videos (faculty cases) and case vignettes.
- Experiential learning is a critical focus: Over half of total workshop time is spent in very small group practice (6:1 trainee: faculty ratio) and large group exercises focused on the structure and elements of clinical hypnosis with children/teens, using therapeutic language, explaining hypnosis to parents and children, delivering goal-directed hypnotic suggestions, and the use of self-hypnosis.

REGISTRATION

REGISTER EARLY TO GET THE DISCOUNT!

	Early Bird Before or on July 31	Regular After July 31
Fundamentals Workshop	\$899	\$1,025
MSCH Members/Uof MN Faculty/Staff	\$845	\$989
Grad/Res/Fellow	\$700	\$770

NOTE: Participants are not considered registered until registrant information is complete, Acknowledgment & Release Waiver is signed and payment received. Please note that payment must be sent no later than 2 weeks after registration/acceptance.

For complete information and to register for the Fundamentals Workshop, click here: <https://iplanit.swoogo.com/NPHTI2022>
Register online with Visa, MasterCard, or American Express

QUESTIONS: For any questions relating to registration, please contact NPHTI@iplanitmeetings.com or call 800-781-1193, ext. 61 between 8 am-5 pm Mountain Time.

UTILIZATION AND EXPANDED CLINICAL APPLICATIONS WORKSHOP:

NOTE: Participants must have completed a Fundamentals all pediatric-specific hypnosis training workshop (20+ hours), and are using clinical hypnosis with pediatric patients on a regular basis. We welcome any and all who are licensed health professional, and have completed a Fundamentals all-pediatric-specific Hypnosis Training Workshop (20+ hours) with NPHTI, SDBP, or equivalent approved Pediatric Hypnosis Workshop. (Please submit other than NPHTI or SDBP Workshop curriculum for review and approval). Please indicate the year of your Fundamentals or Introductory/Basic Pediatric Hypnosis Workshop on your Registration.

- Workshop emphasizes experiential learning and how to set personalized hypnosis GOALS and create goal-driven SUGGESTIONS!
- Learn how to incorporate Ericksonian Utilization principles in your hypnosis approach.
- Refine and expand existing hypnosis skills and develop individualized hypnotic treatment approaches for your patients.
- Faculty videos and case vignettes are integral throughout the workshop.
- Supervised exercises: Augment your confidence and utilization skills (conversational invitations, pacing & leading, constructing goal-driven suggestions, talking in trance, self-regulation strategies, and other person-centered strategies) within thoughtfully clustered small groups (with high faculty to trainee ratios).
- Select two NEW "mini-intensive" (90 minutes each) clinical applications for Hypnosis Skill Development.

REGISTRATION

REGISTER EARLY TO GET DISCOUNT!

Register online with Visa, MasterCard, or American Express. **QUESTIONS:** For any questions relating to registration, please contact NPHTI@iplanitmeetings.com or call 1-800-781-1193, ext. 61 between 8 am-5 pm Mountain Time.

INDIVIDUALIZED CONSULTATION WORKSHOP: Personalized and Peer Mentoring

- Provides extensive, individualized mentor consultation to clinicians ready to enhance their knowledge and expertise in the use of pediatric hypnosis.
- Fulfills partial requirements for attaining ASCH Certification in Clinical Hypnosis and/or an ASCH-Approved Consultant.
- Unique format: Clinicians consult in a small group (max = 6) with rotating faculty facilitators (ASCH Approved Consultants).

In addition to thoughtfully-matched faculty consultation, this model expects participants to learn from one another and to have their own expertise affirmed and expanded. During the consultation sessions, the focus is on issues unique to each practitioner's practice as reflected in their video submissions. Participants must present a video-recording of hypnotic work with a pediatric patient and a corresponding typed case vignette of the video.

A firm deadline for video submission is July 15, 2022. A "how to" guide to help learners develop effective video recordings will be provided. An EARLY-AS-POSSIBLE completed application and learning/needs assessment is requested and advised to facilitate planning before registering for the workshop. See instructions below.

REGISTRATION REGISTRATION IS LIMITED - REGISTER NOW!

Registration Deadlines & Fees

Registrations will not be accepted
after July 15, 2022
\$975

Workshop Registration Fee

TO REGISTER FOR THE INDIVIDUALIZED CONSULTATION WORKSHOP

Go to: <https://iplanit.swoogo.com/NPHTI2022> to complete the Prior Learning/Needs Assessment. Early registration is encouraged to reserve your place and facilitate faculty planning. Register online with Visa, MasterCard, or American Express

NOTE: Participants are not considered registered until registrant information is complete, Acknowledgment & Release Waiver is signed, and payment is received. Please note that payment must be sent no later than 2 weeks after registration/acceptance.

QUESTIONS: For any questions relating to registration, please contact NPHTI@iplanitmeetings.com or call 1-800-781-1193, ext. 61 between 8 am-5 pm Mountain Time.

"Practical and relevant for any pediatric practitioner. Instruction is exceptional and includes extensive personal practice that allows development of self-confidence to use techniques in day-to-day practice."

"It has been an amazing three days of great learning under safe conditions and effective facilitation by expert faculty."

Lunch on Your Own

Lunch during the three-day workshops is not included in the registration fee. The hotel will provide options to purchase a box lunch or attendees are welcome to make a reservation at the hotel's restaurant for lunch.

Group Registration

A minimum of 3 registrants from the same organization is required for a group discount of \$30 per person to be deducted from the corresponding registration fees listed above. Individual registrations in a Group registration must be received within two business days of each other to qualify for this discount. Contact Registration Services at 1-800-781-1193, ext. 61 to obtain a discount code before beginning the registration process. NO refunds will be issued if a person from a group has to cancel or does not show up at the conference. Normal refund policy applies for complete group cancellations.

Course Materials

A printed syllabus will NOT be distributed at the Workshops. NO services for printing syllabi are available on site during the workshops. Registered attendees will be emailed access instructions to view course materials online, then download and print a week or so prior to the Workshops. The presentations and other course-related materials (e.g. extensive copywritten bibliography) will remain available online at the www.NPHTI.com website for 6-8 weeks following the Workshops.

Cancellation Policy

In the event you need to cancel your registration, the registration fee, less a \$50 administrative fee, will be refunded if you notify us by 4:30 p.m. Central Time on September 15, 2022. No refunds will be made after this date.

Cancellations due to COVID-19: these will be considered on a case-by-case basis.

WORKSHOP LOCATION & OVERNIGHT ACCOMMODATIONS

Crowne Plaza Minneapolis West
3131 Campus Drive
Plymouth, MN 55441
www.CPPlymouth.com
763-559-6600
800-227-6963

A limited block of hotel rooms is available at the discounted rate of \$139.00 per night plus local taxes.

In order to get this reduced rate, reservations must be made directly with the hotel by the cut-off date of September 19, 2022. You may reserve your room by one of these methods:

1. Click here to make online reservations: [NPHTI Conference 2022](#)

2. **Instructions:**

- Click on the link above.
- Enter arrival and departure dates
- The discounted rate of \$139 will populate
- Select a room type and complete the reservation.

3. Call 763-559-6600 and request the **NPHTI Room Block**

IMPORTANT: Please support NPHTI by booking your hotel reservation at the hotel. NPHTI has a contract with several rooms on hold for our attendees at this special rate. Penalties to NPHTI apply if we do not meet this commitment. **THANK YOU!** Reservations will be accepted based on space and rate availability.

Parking is complimentary and adjacent to the facility. Valet parking is available for \$5.00 per day.

ATTENDEE SAFETY PLAN

We take your health and safety seriously. We are committed to providing a safe environment for all in-person participants of NPHTI Workshops to the best of our abilities.

To promote the safety of everyone at the event, NPHTI will follow the guidance and requirements of the Centers for Disease Control and Prevention (CDC), State of Minnesota, City of Plymouth, the Crowne Plaza Hotel and other local regulations regarding COVID-19 safety practices. This Attendee Safety Plan may change from time-to-time until the start of and during NPHTI Workshops. By registering to attend the NPHTI Workshops in-person, you are agreeing to abide by all applicable COVID-19-related requirements, advisories, policies, procedures, and protocols put in place by NPHTI, hotel, the city and state, as well as the CDC for the duration of the event.

IMPORTANT: In light of events surrounding COVID-19, this is an appropriate time to remind ourselves of the risks incident to participating in the NPHTI Workshops. Even with every reasonable precaution to keep you safe as outlined for you by the CDC, NPHTI cannot fully eliminate all risks of harm to attendees or guarantee their safety, especially from risks posed by COVID-19 or its variant strains. Ultimately, you are responsible for your own safety.

Vaccination Requirements:

Vaccination Requirement for all attendees, faculty and vendors, who seek to gain access to the in-person meeting. All individuals will need to be up-to-date on vaccinations. According to the CDC, people are considered up to date on COVID-19 vaccines two weeks after they have received the second dose in a two-dose series (e.g., Pfizer/BioNTech or Moderna), or two weeks after they have received a single-dose vaccine (e.g., Johnson & Johnson's/Janssen).

Mask Requirements:

NPHTI will require masks for in-person attendees, faculty and vendors during non-food events. This is primarily is due to the meeting space and the small group interactions that are recurrent throughout the meeting. As a member of the NPHTI community, please be respectful of fellow workshop attendees and requests from local businesses regarding mask requirements. As a disclosure, this requirement could change as we get closer to the event.

Do Not Attend if...

All attendees, faculty and vendors should **NOT ATTEND** if they are:

- Exhibiting any symptoms or signs of sickness.
- Having been in contact with known positive COVID-19 cases within 10 days of the NPHTI Workshops.
- Testing positive for COVID-19 within the last 5 days from the start of the NPHTI Workshops.
- Have had contact with a person that has or is suspected of having COVID-19 within five (5) days from the start of the Workshops and have not completed a quarantine protocol.

On-Site Health and Safety Measures

Proof of Vaccination AND Pre-event COVID Test (48 hours in advance of arrival)

- During registration, you can upload your vaccination card to begin the validation process.
- On October 11, 2022, you can upload your pre-event test results in the registration system. An email will be sent out to all registered attendees with further instruction.
- Please be prepared to bring your vaccination card AND results of a pre-event COVID rapid or PCR test (48 hours in advance of arrival) when you pick up your materials at the NPHTI registration desk at the hotel. You can either show your original vaccination card and pre-event test or you can take a screenshot of them both to gain access.
- Anyone who does not bring their vaccination card or proof of pre-event test, will be denied entry to the NPHTI Workshops and will not be able to pick-up their badge until proof of vaccination has been verified.
- You must wear your name badge at all times during the event as visual proof of vaccination status.
- NPHTI reserves the right to deny such entry to anyone seeking admittance or remove them from the venue should they not provide proof of vaccination or if they present any COVID-19 like symptoms.

If you have any questions or concerns about this policy, please email trainwithnphti@gmail.com

We appreciate your cooperation and diligence to the disclosed safety plan in advance and during of the NPHTI Workshops.

ACCREDITATION

Minnesota Medical Association/PRA

The Minnesota Medical Association designates this live activity for a maximum of 21.50 AMA PRA Category 1 Credits™ for the Fundamentals Workshop, 21.75 AMA PRA Category 1 Credits™ for the Utilization and Expanded Clinical Workshop, 21.75 AMA PRA Category 1 Credits™ for the Individualized Consultation Workshop. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

"I will definitely start Monday using this with my acute pain patients and start to use the strategies with our anxiety patients who could greatly benefit!"

NATIONAL PEDIATRIC HYPNOSIS TRAINING INSTITUTE

a 501(c)(3) nonprofit educational corporation

FUNDAMENTALS WORKSHOP SCHEDULE

Workshop Co-Coordination: Daniel Kohen, MD, FAAP, ABMH & Andrew Barnes, MD, MPH, FAAP

Educational Objectives

At the completion of the Fundamentals Workshop, learners should be better able to:

- List the stages of hypnosis
- Describe hypnosis as a process of therapeutic communication
- Describe three pediatric hypnosis “invitation” methods
- Demonstrate three appropriate “invitation” techniques
- Describe methods for intensification of and re-alerting from hypnosis
- Outline applications for pediatric hypnosis
- Describe and demonstrate the use of hypnosis for pain control for procedures and for chronic, recurrent pain
- Describe and demonstrate how to teach a child/parent the skill of self-hypnosis and how to practice it regularly
- Describe and demonstrate a therapeutic hypnosis approach for sleep onset insomnia/anxiety and for circadian rhythm disorders in teens
- Outline a strategy for getting started using hypnosis in clinical practice
- Using therapeutic language, design a hypnotic suggestion for children and teens with clinical anxiety

UTILIZATION & EXPANDED CLINICAL APPLICATIONS WORKSHOP SCHEDULE

Co-coordinators: Daniel Kohen, MD, FAAP, ABMH & Andrew Barnes, MD, MPH, FAAP

Educational Objectives

At the completion of the Utilization & Hypnosis Skills Workshop, learners will be able to:

- Refine therapeutic language skills to be used during hypnosis sessions
- Identify individualized and specific hypnosis goals and design and deliver goal-driven suggestions
- Utilize a patient's resources and needs when designing an individualized treatment plan
- Apply hypnotic utilization techniques: conversational invitations, pacing & leading, talking in trance, fractionation, reframing, and age progression & regression
- Apply hypnosis strategies to more complex and mental health issues (such as anxiety disorders, stress, fears, pain, respiratory, gastro-intestinal symptoms)
- Incorporate hypnotic self-regulation strategies during hypnosis sessions.

AGENDA

Thursday, October 13, 2022

7:00 - 7:55 a.m.	Registration and Breakfast Buffet
8:00 - 8:25	Introduction – Course Overview & Faculty Introductions
8:30 - 10:00	Refining Utilization of Language: Why and How To Say What We Say, Pacing & Leading

ACKNOWLEDGMENT AND RELEASE

**NATIONAL PEDIATRIC HYPNOSIS TRAINING INSTITUTE (NPHTI)
SKILL DEVELOPMENT WORKSHOPS IN PEDIATRIC CLINICAL HYPNOSIS
DEPARTMENT OF PEDIATRICS, UNIVERSITY OF MINNESOTA,
MINNESOTA SOCIETY OF CLINICAL HYPNOSIS (MSCH)**

Name of Workshop: **National Pediatric Hypnosis Training Institute (NPHTI)
11th Annual Skill Development Workshops in Pediatric Clinical Hypnosis**

Dates: **October 13-15, 2022**

Location: **Crowne Plaza Minneapolis West
3131 Campus Drive
Plymouth, MN 55441**

The undersigned acknowledges that s/he has volunteered to participate in a workshop in which s/he engages in a hypnotic state ("trance"), and that workshop participants and faculty will be present during this/these session(s).

Because this is a Skills Development Workshop, all participants are expected to attend the ENTIRE workshop and participate in all experiential exercises / activities, including trance experiences. **NO EXCEPTIONS.** The clinician acknowledges that s/he will arrange one's travel plans and regular clinical and personal responsibilities in order to fully participate in the entire workshop.

The undersigned does not have any medical or mental health problems or other special conditions that might interfere with their participation, except as have been disclosed to faculty members.

The undersigned understands that Continuing Education Certificates are distributed at the completion of the workshop, upon completion of the evaluation form. Again, please plan your travel accordingly.

In addition, an optional (for purchase) pre-ordered Certificate of Participation, (suitable for framing) is provided only to those attending the FULL program and must be picked up at the conclusion of the workshop.

The undersigned acknowledges that NPHTI reserves the right to withdraw from participation in the training workshop any clinician whose behavior significantly interferes with the group's learning process, or is disrespectful and/or offensive to colleagues and/or faculty. NPHTI also reserves the right to withdraw participants who are not attending/participating in the entire workshop.

The undersigned agrees to hold harmless NPHTI, MSCH, University of Minnesota Department of Pediatrics, and Minnesota Medical Association, their employees and members, the faculty, and other participants in the above described workshops, and indemnify them from and against any and all claims, damages, and costs arising from the undersigned's participation in the above described workshops.
